Welcome by the Sovereign Grand Commander and Report on the XXI World Conference of Supreme Councils

III. Bro. David Bennett, 33° Sovereign Grand Commander

Welcome to another edition of the Clarion Magazine. I hope you will enjoy the articles depicting the strength and unity

of the Scottish Rite family in Canada. In addition to several trips to our Canadian Valleys, I was extremely fortunate to gain further insights into the

international family of Scottish Rite Freemasons, by attending the biennial sessions of the Northern and Southern Jurisdictions in the USA and at the World Conference of Supreme Councils in Romania.

From May 7-11, 2025, my wife Aurore and I had the honour and privilege to attend the XXI World Conference of Supreme Councils in Bucharest, Romania. Each of the 59 countries represented was allowed to present a paper on our insight into the challenges, opportunities, and solutions to enable members of our Noble Rite to have a positive experience in our Scottish Rite Assemblies. The following is what I presented on behalf of the Supreme Council of Canada.

It cannot be denied that many pressures and obstacles require our attention during our daily lives; however, we believe that with a concentrated effort, we can provide our brethren with a positive experience, keep them engaged,

and give them the tools to aid them outside the confines of our lodge rooms for the benefit of their families and communities.

Through the efforts of dedicated members of the Ancient and Accepted Scottish Rite of Freemasonry in Canada, we have developed programs to support both new and seasoned members. The following is a summary of our focus:

LEADERSHIP - Most Valleys have a dedicated core group of leaders. Leaders need to work closely with all members so they are engaged in the success of the Valley. Leaders must set a good example by following ritual, proper memorization, and holding practices to ensure a wonderful experience during meetings and degree work.

MEMBERSHIP - There is pride in membership, enabling men to meet men from different backgrounds and expand their Craft Lodge knowledge. We must ensure all are welcome, answer their questions, and encourage, as well as allow, them to become active participants in the degrees. To include more activities in the regular Scottish Rite meetings and to have social occasions for members and families to enjoy. Many areas also benefit from Scottish Rite Clubs, focusing on fraternal relationships and community fundraising. In addition, an Ad - Hoc Valley Representative Committee has recently been formed to share and promote proven strategies and best practices to enhance membership development and retention in our Valleys across Canada - A focus on belonging!

COMMUNICATION - Information from the Supreme Council and the Valleys are effectively communicated to the membership through the Grand Secretaries. We are making good use of social media tools, our annual Clarion Magazine, and the electronic newsletter, The Communique. New tools and opportunities are constantly being explored.

EDUCATION - We are proud of the work done by the Education and Enlightenment Committee. Education platforms such as the "Speaker Series" papers and promotional videos on our website are sought after and appreciated. We continue to add pre- and post-degree explanations and Degree discoveries. Our Library offers a complete list of books available and educational videos on Masonic subjects.

Our website scottishritecanada.ca allows the general public (limited access) and our members a phenomenal array of information and "Best Practices", making our Masonic experience complete. Author's note - I was pleased that several Supreme Councils have visited our site.

In addition, we are thrilled to promote the good work accomplished in the hope of solving the "Puzzles of the Mind" by the Scottish Rite Charitable Foundation and our Scottish Rite Learning Centres for Dyslexia on our website srfc.ca. We have nine Learning Centres, two Satellite Centres, and an interest in opening future Learning Centres. Our "Provincial Deputy Awards Program" offers financial assistance to worthy local community causes.

Our charitable endeavours create a great source of pride for members of our Rite in Canada.

Moving forward, the "Future Initiatives Committee" will explore opportunities to incorporate today's electronic landscape into our operations. Members are encouraged to offer new ideas to keep us focused and engaged in a constantly changing world.

Our "Degrees of the 21st Century Committee" focuses on the non-obligatory degrees of the Ancient and Accepted Scottish Rite. Three videos have now been produced, with more in the planning stages. This will provide those Valleys with limited resources to witness the unseen.

During my official visits to our 44 Valleys nationwide, I remind our brethren of the outstanding accomplishments of Scottish Rite Freemasons in their respective communities, and if we had one, they would qualify for the Hall of Fame - an acronym for their consideration:

F - fraternity, fellowship, fun

A - attendance, acceptance, appreciation

M - membership, mentorship, memory work

E - effort, engagement, entertainment (with expanded social activities with family in mind), energy, excitement

I have received positive comments from many, indicating their enjoyment as members of the Scottish Rite Family and another tool to keep their goals on track, knowing that the work of Scottish Rite Freemasonry is an ongoing, forever learning experience with something for everyone. Our ladies have also favourably commented on the expanded social occasions with the opportunity to meet so many fine people.

We are optimistic that our tools will continue to grow for the benefit of our Rite and our Communities. As has often been stated, "We get out of Freemasonry, the effort we put into our Fraternity." ■

Accueil par le Souverain Grand Commandeur et Rapport sur la XXI^e Conférence mondiale des Suprêmes Conseils

Bienvenue dans une autre édition du magazine Clarion. J'espère que vous apprécierez les articles décrivant la force et l'unité de la famille du rite écossais au Canada. En plus de plusieurs voyages dans nos vallées canadiennes, j'ai eu l'extrême chance de mieux connaître la famille internationale des francs-maçons de rite écossais, en assistant aux sessions biennales des juridictions du Nord et du Sud des États-Unis et à la Conférence mondiale des Suprêmes Conseils en Roumanie.

Du 7 au 11 mai 2025, mon épouse Aurore et moi avons eu l'honneur et le privilège d'assister à la XXI^e Conférence mondiale des Suprêmes Conseils à Bucarest, en Roumanie. Comme chacun des 59 pays

représentés, le nôtre a été autorisé à présenter un document sur notre vision des défis, des opportunités et des solutions pour permettre aux membres de notre Noble Rite de vivre une expérience positive dans nos Assemblées de Rite Écossais. Voici ce que j'ai présenté au nom du Suprême Conseil du Canada.

On ne peut nier que de nombreuses pressions et des obstacles requièrent notre attention dans notre vie quotidienne. Cependant, nous pensons qu'avec un effort concentré, nous pouvons offrir à nos frères une expérience positive, les maintenir engagés et leur donner les outils nécessaires pour les aider en dehors des limites de nos loges, au profit de leurs familles et de leurs communautés.

Grâce aux efforts de membres dévoués du Rite Écossais Ancien et Accepté de la Franc-Maçonnerie au Canada, nous avons développé des programmes pour soutenir aussi bien les nouveaux membres que les plus chevronnés. Ce qui suit est un résumé de notre objectif :

LEADERSHIP – La plupart des vallées disposent d'un noyau de dirigeants dévoués. Les dirigeants doivent travailler en étroite collaboration avec tous les membres afin qu'ils participent au succès de la Vallée. Les dirigeants doivent donner le bon exemple en participant à des rituels, en développant une mémorisation appropriée et en ayant des répétitions de maintien pour garantir une expérience merveilleuse lors des tenues et les travaux de Degrés.

ADHÉSION – La fierté d'appartenir au rite écossais permet aux hommes de rencontrer des maçons d'horizons différents et d'élargir leurs connaissances des loges symboliques. Nous devons veiller à ce que tous soient les bienvenus, répondre à leurs questions, les encourager et leur permettre de devenir des participants actifs aux degrés. Il faut inclure davantage d'activités dans les réunions régulières des SR et organiser des occasions sociales pour les membres et les familles. De nombreuses régions bénéficient également des clubs de rite écossais, axés sur les relations fraternelles et la collecte de fonds communautaires. De plus, un comité ad hoc représentatif des vallées a récemment été formé pour partager et promouvoir des stratégies éprouvées et des pratiques exemplaires visant à améliorer le développement et la rétention des membres dans nos vallées à travers le Canada - Un accent sur l'appartenance !

COMMUNICATION – Les informations du Suprême Conseil et des Vallées sont efficacement communiquées aux membres par l'intermédiaire des Grands Secrétaires. Nous faisons bon usage des outils de médias sociaux, de notre magazine annuel Clarion et du bulletin électronique The Communique. De nouveaux outils et opportunités sont constamment explorés.

ÉDUCATION – Nous sommes fiers du travail accompli par le « Comité d'Éducation et d'Illumination ». Les plateformes éducatives telles que les articles « Speaker Series » et les vidéos promotionnelles sur notre site Internet sont recherchées et appréciées. Nous continuons d'ajouter des explications avant et après le degré et les découvertes sur le degré. Notre bibliothèque propose une liste complète des livres disponibles et des

vidéos pédagogiques portant sur des sujets maçonniques.

Notre site scottishritecanada.ca offre au grand public (en accès limité) et à nos membres une gamme phénoménale d'informations et de « meilleures pratiques », rendant notre expérience maçonnique complète. Note de l'auteur – J'ai été heureux que plusieurs Suprêmes Conseils aient visité notre site.

De plus, nous sommes ravis de promouvoir le bon travail accompli dans l'espoir de résoudre les « énigmes de l'esprit » par la Fondation Caritative du Rite Écossais et nos centres de rite écossais d'apprentissage pour la dyslexie, que l'on retrouve sur notre site Internet srcf.ca. Nous avons neuf centres d'apprentissage, deux centres satellites et nous sommes intéressés à en ouvrir d'autres. Notre « Programme de prix des députés provinciaux » offre une aide financière à de nobles causes communautaires locales. Nos efforts caritatifs créent une grande source de fierté pour les membres de notre Rite au Canada.

À l'avenir, le « Comité des initiatives futures » explorera les possibilités d'intégrer le paysage électronique d'aujourd'hui dans nos opérations. Les membres sont encouragés à proposer de nouvelles idées pour nous permettre de rester concentrés et engagés dans un monde en constante évolution.

Notre « Comité des degrés du 21e siècle » se concentre sur les degrés facultatifs du Rite Écossais Ancien et Accepté. Trois vidéos ont maintenant été produites, et d'autres sont planifiées. Cela fournira à nos vallées des ressources limitées pour être témoins de l'invisible.

Lors de mes visites officielles dans nos 44 Vallées à travers le pays, je rappelle à nos frères les réalisations

exceptionnelles des francs-maçons – les francs-maçons de rite écossais dans leurs communautés respectives, et si nous en avons quelques-uns, ils se qualifieraient pour le Temple de la renommée - un acronyme pour leur considération –

R – résilience, courage

E – engagement

N – noblesse des sentiments

O – observation

M – mentorat

M – mémorisation

É – éducation, divertissement (avec des activités sociales élargies en pensant à la famille),

E – effort, enthousiasme

J'ai reçu des commentaires positifs de la part de beaucoup, indiquant leur plaisir en tant que membres de la famille du rite écossais et un autre outil pour maintenir leurs objectifs sur la bonne voie, sachant que le travail de la franc-maçonnerie du rite écossais est une expérience d'apprentissage continue et éternelle avec quelque chose pour tout le monde. Nos dames ont également commenté favorablement les occasions sociales élargies offrant l'opportunité de rencontrer de nombreuses personnes formidables.

Nous sommes optimistes que nos outils continueront à se développer au profit de notre Rite et de nos Communautés. Comme on l'a souvent dit : « De la Franc-Maçonnerie, nous sortons l'effort que nous mettons dans notre Fraternité. » ■

Scottish Rite Charitable Foundation President's Report 2025

Ill. Bro. Richard E. Jones, 33° President, SRCF

The Scottish Rite Charitable Foundation (SRCF) has built upon the priorities identified in last year's report, achieving significant progress over the past year. Key initiatives have included the ongoing development of the Learning Centre program, which has fostered collaboration

across the country, established new locations, and begun updating the Handbook. The Research Grants and Awards committee has successfully transitioned to providing \$60,000 per year for three years for each of 5 new researchers annually.

Compilation of a summary of publications generated from SRCF - supported projects is now in progress. Additionally, the Finance and Investment committees have been very active, reviewing proposals for a new SRCF auditor and securing increased value and seeking increased returns to address the current volatility in financial markets.

Promotional Outreach and Video Production

New opportunities have emerged through the creation of promotional videos by both the BC and Hamilton Learning Centres, showcasing the Learning Centre services. The SRCF has also collaborated with the same producer to create a video that captures the details of the Foundation's three Program areas: Research Grants, the Learning Centres, and the Deputy Awards.

This video is nearing completion and will soon be available on the SRCF website for use by all Valleys in their outreach to Craft Lodges and to the general public.

Learning Centre Conference and Committee Development

The National Learning Centre Conference held in June, 2025, led to the formation of several committees focused on building a robust network and ensuring consistency of service throughout Canada. With an emphasis on networking and collaboration, Learning Centre leadership is dedicated to maintaining the long-term, reliable delivery of dyslexia tutoring and tutor training services nationwide. Recognizing the diversity across Canada, the Learning Centre program continues to reflect local differences while formalizing a national foundational approach. Meeting the growing demand for tutoring remains a top priority, with increased efforts to recruit and train tutors as well as tutor trainers to support this mission.

Research Grant Review Committee Leadership Transition

After several years of exemplary service, Dr. Joel C. Watts of the Tanz Centre for Research in Neurodegenerative Diseases at the University of Toronto, has stepped down as chair of the SRCF Research Grant Review Committee. The SRCF expresses deep gratitude for his leadership. The Foundation is pleased to announce that Dr. Annie Cierna, Department of Biochemistry and Molecular Biology at the University of British Columbia, has agreed to take on the role of Chair. This committee, comprised of scientific and clinical experts - including many current and past SRCF research grant recipients

- reviews all submissions and recommends annual research grant awards, which are then approved and awarded. The continued success of the Research Grants program depends on the committee's diligence in identifying high-quality research across Canada for support.

Financial Performance and Investment Management

The SRCF investment fund has increased its assets during a period of significant market volatility, primarily through realizing unrealized gains and utilizing new investment vehicles. The investment committee, together with RBC Dominion Securities, continues to monitor market dynamics closely to ensure the Foundation's assets are invested to realize sufficient returns to meet both immediate and long-term needs.

Board Transitions and Appreciation

The Foundation Board extends its sincere gratitude to Ill. Bro. Gary Cayen, 33°, and Ill. Bro. Dr. John Forster, 33°, for their many years of dedicated service. The Board also welcomes Ill. Bro. Joe Haramic, 33°, and Ill. Bro. Ted Papadatos, 32°, as new members.

On behalf of the Board of the SRCF, heartfelt thanks are extended to all who have contributed to the SRCF financially or in kind during the past year. The Foundation's ability to make a difference is rooted in such generous support. Finally, best wishes are extended to all members and their families for happiness and good health in 2026. ▲

La Fondation Caritative du Rite Écossais (SRCF) s'est appuyée sur les priorités identifiées dans le rapport de l'année dernière, réalisant des progrès significatifs au cours de l'année écoulée. Les principales initiatives comprennent le développement continu du programme des centres d'apprentissage, qui a favorisé la collaboration à travers le pays, établit de nouveaux emplacements et a commencé à mettre à jour le manuel. Le comité des subventions et bourses de recherche a réussi la transition vers un financement annuel de 60 000 \$ pendant trois ans pour chacun des cinq nouveaux chercheurs.

La compilation d'un résumé des publications générées par les projets soutenus par le SRCF est en cours. De plus, les comités des finances et des investissements ont été très actifs, examinant les propositions concernant un nouvel auditeur SRCF, garantissant une valeur accrue et recherchant des rendements accrus pour faire face à la volatilité actuelle des marchés financiers cette année.

Sensibilisation promotionnelle et production vidéo

De nouvelles opportunités ont émergé grâce à la création de vidéos promotionnelles par les centres d'apprentissage de la Colombie-Britannique et de Hamilton, présentant les services du centre d'apprentissage. La SRCF a également collaboré avec le même producteur pour créer une vidéo qui capture les détails des trois domaines de programme de la Fondation : les subventions de recherche, les centres d'apprentissage et les

bourses adjointes. Cette vidéo est en voie d'achèvement et sera bientôt disponible sur le site Internet de la SRCF pour être utilisée par toutes les Vallées dans leur sensibilisation auprès des loges symboliques et du grand public.

Conférence du centre d'apprentissage et développement des comités

La conférence du Centre national de formation, tenue en juin 2025, a conduit à la formation de plusieurs comités axés sur la construction d'un réseau solide et sur l'assurance d'une cohérence des services partout au Canada. En mettant l'accent sur le réseautage et la collaboration, la direction du centre d'apprentissage se consacre au maintien d'une prestation fiable et à long terme de services de tutorat et de formation de tuteurs pour la dyslexie dans tout le pays. Reconnaisant la diversité à travers le Canada, le programme du Centre d'apprentissage continue de refléter les différences locales tout en formalisant une approche fondamentale nationale. Répondre à la demande croissante de tutorat reste une priorité absolue, avec des efforts accrus pour recruter et former des tuteurs ainsi que des formateurs de tuteurs pour soutenir cette mission.

Comité d'examen des subventions de recherche Formation en leadership

Après plusieurs années de services exemplaires, le Dr Joel C. Watts, du Centre Tanz de recherche sur les maladies neurodégénératives de l'Université de Toronto, a démissionné de son poste de président du comité d'examen des subventions de

recherche de la SRCF. La SRCF exprime sa profonde gratitude pour son leadership. La Fondation est heureuse d'annoncer que la Dre Annie Cierna, du Département de biochimie et de biologie moléculaire de l'Université de la Colombie-Britannique, a accepté d'assumer le rôle de présidente. Ce comité, composé d'experts scientifiques et cliniques – dont de nombreux bénéficiaires actuels et passés de subventions de recherche SRCF – examine toutes les soumissions et recommande des subventions de recherche annuelles, qui sont ensuite approuvées et attribuées. Le succès continu du programme de subventions de recherche dépend de la diligence du comité à identifier des recherches de haute qualité à travers le Canada à soutenir.

Performance financière et gestion des investissements

Le fonds d'investissement SRCF a augmenté ses actifs au cours d'une période de forte volatilité des marchés, principalement en réalisant des plus-values latentes et en utilisant de nouveaux véhicules d'investissement. Le comité de placement, en collaboration avec RBC Dominion valeurs mobilières, continue de surveiller de près la dynamique du marché pour s'assurer que les actifs de la Fondation soient investis de manière à générer des rendements suffisants pour répondre aux besoins immédiats et à long terme.

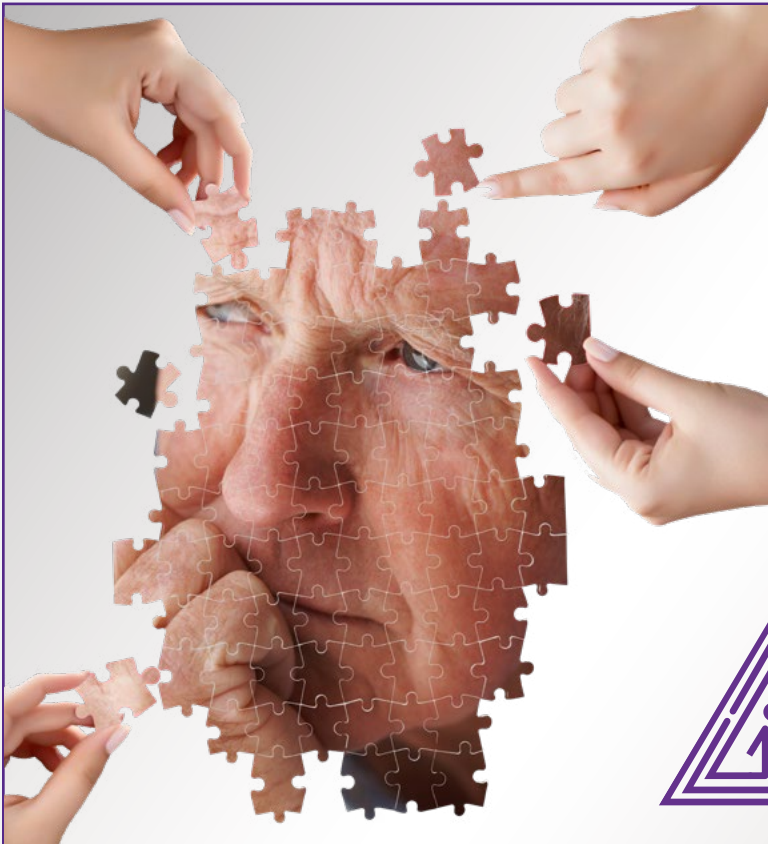

Transitions et appréciation du conseil d'administration

Le Conseil d'administration de la Fondation exprime sa sincère gratitude envers l'Ill. Fr. Gary Cayen, 33°, et l'Ill. Fr. Dr John Foster, 33°, pour leurs nombreuses années de service dévoué. Le Conseil accueille également l'Ill. Fr. Joe Haramic, 33°, et l'Ill. Fr. Ted Papadatos, 32°, comme nouveaux membres.

Au nom du Conseil d'administration de la SRCF, nos sincères remerciements vont à tous ceux qui ont contribué financièrement ou en nature à la SRCF au cours de l'année écoulée. La capacité de la Fondation à faire une différence repose sur un soutien aussi généreux. Enfin, nos meilleurs vœux de bonheur et de bonne santé en 2026 sont adressés à tous les membres et à leurs familles. ▲

The editors of the Clarion would like to thank and acknowledge the work by Ill. Bro. Jacques Ruelland, 33°, in providing necessary French translation for this edition and in previous issues of the Clarion.

The factual accuracy of an article is the contributor's responsibility.

The opinions expressed by the authors do not necessarily reflect those of the Supreme Council, or the Scottish Rite Charitable Foundation, or the Clarion Editorial Committee.

Erratum: Winter 2025 Edition of The Clarion: In the feature article regarding the 60th Anniversary of the SRCF (pages 9–11), we failed to recognize the significant contribution of Ill. Bro. Don Fick, 33°. Ill. Bro. Fick served with distinction as the inaugural Executive Director of Learning Centres from 2004 to 2009. We apologize for this oversight and celebrate his dedicated service to the Foundation.

Supreme Council Executive Session September 10, 2025

Ill. Bro. Thomas A. Wills, 33° Lieutenant Grand Commander

The 151st Executive Session was held on September 10, 2025, in accordance with Art. 5. (c) of the Statutes and Regulations of the Supreme Council of the 33° of the Ancient and Accepted Scottish Rite of Freemasonry of Canada. To be more financially responsible we continue to hold our full Sessions only in even years, and convene a virtual Executive Session in odd years. The meeting was held using Zoom this year.

The Sovereign Grand Commander (SGC) welcomed all to the 151st Supreme Council (Executive) Session and then turned the virtual gavel over to Scottish Rite Charitable Foundation (SRCF) President Ill. Bro. Richard E. Jones, 33°, for the annual general meeting (AGM) of the Foundation.

At the successful conclusion of the SRCF AGM, the Sovereign Grand Commander, Ill. Bro. David A. Bennett, 33°, declared the Executive Session to order. He again acknowledged the Active and Past Active members of Supreme Council attending the meeting and gave his opening remarks and thanked all Committee Chairs and their members for the outstanding and dedicated work they do.

The work of the day consisted of reviewing and passing committee reports and approving the Supreme Council annual financial budget. It is also a tradition for our Supreme Council to recognize prominent individuals from other Supreme Council Jurisdictions with Honorary Membership in our Supreme

Council. This year it was our pleasure to bestow Honorary Membership on Ill. Bro. Dr. Giles Shilson, 33°, Grand Secretary-General of the Supreme Council for England & Wales, and Ill. Bro. Alexander Galbraith, 33°, Grand Secretary-General of the Supreme Council of Scotland. Both are very deserving friends of our Supreme Council.

Of interest to the brethren who are active in the degree work of our Scottish Rite, motions were made by the Ritual Committee and passed by Supreme Council to update and make clear some small portions of the 7°, 10°, 29° and the Vows and Oaths of the 14°, 18° and 32°. These updates include additional rubrics for the direction of cast members in doing floor work. Rest assured, the context of the degree has not changed. Only a few "ancient" words have been updated to modern language, for example, replacing "thee" with "you" - to make the degree more understandable in today's language.

The Special Awards Committee were pleased to announce the approval this year of the nominations of Ill. Bro. Kenneth C. Adamson,

33°, (Valley of Hamilton) and Ill. Bro. Ralph H. West, 33°, (Valley of Guelph) to be recipients of the John Ross Matheson Award. We heard the impressive and extensive resumes of these worthy Brethren, and we heartily congratulate Ill. Bro. Adamson and Ill. Bro. West, two men who are fine examples of diligent Masons who serve their community, and their Valleys.

Sovereign Grand Commander Bennett presented his Allocution and gave an overview of his fraternal visits, rulings, permissions, and dispensations given during the third year of his term. He presented a very touching Necrology of our dear friend and Past Sovereign Grand Commander Illustrious Brother Harold E. Crosby, 33°, of Halifax, Nova Scotia, and other Past Active members and John Ross Matheson Award recipients of this Supreme Council who departed to the Grand Lodge of Heaven. We shall forever miss them, and we cherish their memories.

SGC Bennett concluded his Allocution by thanking and offering appreciation to his wife Aurore for her unwavering support, to the members of Supreme Council and to Ill. Bro. Terry A. McLean, 33°, Grand Secretary-General, Ill. Bro. Steven E. Warren, 33°, Chief Operating Officer, Ill. Bro. Thomas A. Wills, 33°, Lieutenant Grand Commander, Office and Finance Administrator Leslie Drake and Office Administrator Barb Lee for their contribution, friendship, and assistance in this year of office.

We look forward to the 152nd Session of Supreme Council in Hamilton in September of 2026. ■

Fraternal Visits to the Southern Jurisdiction and Northern Masonic Jurisdiction, U.S.A.

Ill. Bro. Thomas A. Wills, 33° Lieutenant Grand Commander

In August, your Sovereign Grand Commander and Lieutenant Grand Commander, attended the Supreme Council Sessions for Supreme Councils in Washington, D.C. (August 17 to 19) and Indianapolis (August 23 to 26), with our respective Grand Representatives. These are important visits and provide an opportunity for the Supreme Council of Canada to

headquarters of the Scottish Rite of Freemasonry, Southern Jurisdiction, and is the repository of historic Masonic documents, regalia and a large library. Preservation of the past and the caretaking of the collection is world-class. A must see if you are ever in Washington.

On Monday we were welcomed by Ill. James D. Cole, 33° - Sovereign Grand Commander of the Mother Council of the World, Southern Jurisdiction, U.S.A., at a public Session

The Indianapolis Scottish Rite Cathedral

very impressive, and the ritual work was well accomplished by expert Scottish Rite Masons. Our time in Washington ended, we then journeyed on to Indianapolis, Indiana for the second leg of our Masonic expedition.

The 213th Northern Masonic Jurisdiction (NMJ) Biennial Meeting chose the motto "Rite in the Fast Lane" to promote both the work of the Rite and in honour of the host city Indianapolis.

Under the leadership of Ill. Walter F. Wheeler, 33°, - Northern Masonic Jurisdiction U.S.A., and the Supreme Council members and officers, we were warmly welcomed to the Indianapolis Meeting. The hospitality that was extended to the NMJ distinguished guests took place at the

The House of the Temple, Washington D.C.

show its presence and demonstrate its support for our sister Supreme Councils in our neighbouring jurisdictions.

The Biennial Session of the Southern Jurisdiction began with a Vesper Service held on Sunday afternoon at St. John's Episcopal. Built in 1816, it is one of Washington's most historic churches. Afterward, a tour of the House of the Temple was offered. This Masonic building serves as the

of Supreme Council, where U.S. and international Masonic leaders and dignitaries were introduced. The session presented many fine speakers making presentations and reports on the state of Scottish Rite in the Southern Jurisdiction and Masonry in general.

The highlight for many of the attendees came on Tuesday when the 33rd Degree was conferred on a class of 138 candidates. The ceremony was

Murat Theatre now known as the Old National Centre

beautiful Scottish Rite Cathedral where a sumptuous banquet and program was held in the Ballroom.

On Monday morning, we were taken to the Old National Centre (formerly known as the Murat Shrine Center) in the 2000 seat Murat Theatre. Once again, many interesting presentations and speeches were made.

Our Sovereign Grand Commander, Ill. Bro. David A. Bennett, 33°, had the honour of bringing greetings on behalf of the large number of international Sovereign Grand Commanders and senior Supreme Council Officers. Our Sovereign Grand Commander expressed gratitude for the hospitality extended by the NMJ and emphasized the importance of respect and humility within the Masonic community. His speech highlighted personal experiences and shared stories that illustrate the bonds of friendship and mutual respect among Masons across different jurisdictions and countries.

At the conclusion of our Sovereign Grand Commander's remarks, Ill. Walter F. Wheeler, 33°, Sovereign Grand Commander of the Northern Masonic Jurisdiction U.S.A. presented Ill. Bro. David A. Bennett, 33°, with the high honour of being elected as Emeritus Member

SGC Bennett delivering his remarks

of Honor by the Supreme Council 33° of the N.M.J. U.S.A., as a gesture of friendship and respect for our own Sovereign Grand Commander.

The next afternoon found us back at the Murat Theatre for the conferral of the 33°. Over 225 Candidates were welcomed into the theatre by a huge number of Scottish Rite Masons in a most enthusiastic and fraternal standing ovation. The conferral was a spectacular and moving experience for the candidates as well as the 33° Brethren who were there to support them. Well done to all who took part!

It was a very busy eleven days of meetings and travel, but value of the connections with our American Brethren, and Supreme Councils around the world cannot be underestimated. We are grateful to our American hosts for providing a wonderful experience.

Our visit to the U.S.A. reinforced the purpose of Freemasonry and that Masons are not limited by language or religion and that mutual feelings of fraternity, equality and liberty transcend borders.

Thank you to our generous hosts of the Southern Jurisdiction and Northern Masonic Jurisdiction for two wonderful Sessions and your hospitality! ■

SGC Bennett receiving Emeritus Member of Honor by the Supreme Council 33° of the N.M.J from SGC Wheeler

Ill. Bro. Ralph H. West, 33° John Ross Matheson Award Recipient

Ill. Bro. Jeffrey R. Dickson, 33° Deputy for Ontario

On Saturday, November 22, 2025, over 80 Masonic Brethren, family, including his three children, four grandchildren, and two of his great grandchildren, and friends traveled to Guelph to attend the presentation of the prestigious John Ross Matheson Award to Ill. Bro. Ralph H. West. The presentation followed the conferral of the Valley's Chapter of Rose Croix 15th and 18th degree.

The Sovereign Grand Commander (SGC), Ill. Bro. David A. Bennett, 33°, began the ceremony by sharing some facts about Ill. Bro. John Ross Matheson, 33°, the eminent Freemason for whom the Award is named.

The SGC spoke about Ralph who was had a varied career including a dairy farmer, a Superintendent in the Ministry of the Environment and driving for a construction company and a potato farm. Ralph was also a volunteer fire fighter in Grand Valley (retiring in 1993 as Deputy Captain), a member of the Grand Valley Curling Club, and a local square dance "caller". His Masonic career began in November 1959, and he joined the Scottish Rite in November 1963, and

Ill. Bro. Jeffrey R. Dickson, 33°, Deputy for Ontario, with Ill. Bro. Ralph H. West, 33°

has received a 60-year Long Service recognition from Grand Lodge and from Scottish Rite.

The John Ross Matheson Jewel was presented to Ralph by Ill. Bro. Gordon F. Curl, 33°, who was a recipient of the John Ross Matheson Award in 2014. Ralph addressed the gathering and thanked: Guelph Valley for the nomination; the Special Awards Committee; and his family, ladies, friends, and fellow brethren for

attending. Ralph also shared that in the early 1980's, he was privileged to meet Ill. Bro. John Ross Matheson, 33°, in Kingston, Ontario; a memory is now much more significant and personal.

The Valley of Guelph congratulates Ralph, the 49th recipient of the John Ross Matheson Award, on being rewarded for merit and ability, and thanks him for his community spirit and contributions to the Valley, and to Scottish Rite Freemasonry. ■

Members and Visitors to the Valley of Guelph, present for the presentation of the John Ross Matheson Award to Ill. Bro. Ralph H. West, 33°

Ill. Bro. Kenneth C. Adamson, 33° John Ross Matheson Award Recipient

Ill. Bro. Ronald J. Taylor, 33° Deputy for Ontario

On November 15, 2025, the Valley of Hamilton Cathedral was the setting for an important ceremony as part of the Moore Sovereign Consistory Reunion, as the John Ross Matheson Award, the most prestigious honour our Order can bestow, was conferred upon Ill. Bro. Kenneth C. Adamson, 33°.

In making the presentation, our Sovereign Grand Commander, Ill. Bro. David A. Bennett, 33°, underscored the significance of this honour within the Scottish Rite. He was joined in making the presentation by Ken's long-time friend, Ill. Bro. George F. Benton, 33°, who was a recipient of the John Ross Matheson Award in 2014. Ill. Bro. Benton's participation added a personal and heartfelt dimension to the proceedings.

Members of Ken's family were present to share in this special presentation, and their presence reminded all assembled, that the values of Scottish Rite Masonry - devotion, integrity, and service, extend beyond our

Ill. Bro. George F. Benton, 33°, Ill. Bro. David A. Bennett, 33°, and the John Ross Matheson Award recipient, Ill. Bro. Kenneth C. Adamson, 33°

temples and enrich the lives of families and communities alike.

It was made even more special by the presence of two Past Sovereign Grand Commanders, the Lieutenant Grand Commander, the four Deputies for Ontario and the Deputy for Quebec. Also, present were several Active and Past Active Members of Supreme Council. Their collective presence spoke to the deep respect held

for Ill. Bro. Adamson throughout the jurisdiction.

The Valley of Hamilton was proud to host this memorable presentation during its Consistory Reunion, celebrating the exemplary contributions of Ill. Bro. Adamson and reaffirming the enduring spirit of fellowship, leadership, and dedication that the John Ross Matheson Award represents. ■

Scottish Rite Charitable Foundation National Learning Centre Conference

Ill. Bro. William Cave, 33°
Executive Director,
Learning Centre Program, SRCF

A national conference for our Scottish Rite Charitable Foundation Learning Centres was held this past June in the Scottish Rite Club in Hamilton. A wide range of Learning Centre staff, tutors, volunteers and board members were in attendance from our nine Learning Centres across Canada. For some, it was a time to renew past acquaintances and friendships while for most it was an opportunity to meet for the first time.

Attendees at the Learning Centre National Conference

Hosted by the Scottish Rite Charitable Foundation, the Conference was organized by the Executive Director for our Learning Centres, Ill. Bro. Bill Cave, 33°, with great assistance from members of the Hamilton Learning Centre. It provided an opportunity to discuss current best practices, challenges and opportunities for improvement, all focused on enhancing the learning success of the children with dyslexia whom we assist.

Our weekend commenced with an exciting game of "Learning Centre Jeopardy" led by Halifax Learning Centre Director, Thelma Gregan, followed by professional and organizational development presentations related to tutoring techniques, standardized assessment tools and tutor recruitment and retention.

For the Learning Centre Board Members, Directors and others, there was the opportunity to meet and discuss a list of topics focused

on the leadership and management of our Learning Centres including, national branding, fund raising and investment strategies, shared standards for website design, technology and cybersecurity.

That evening we enjoyed a hospitality gathering hosted by the Hamilton Learning Centre. It proved to be a wonderful opportunity for expanding the developing social and professional relationships of those in attendance.

Saturday saw the formal opening of the Conference with a welcoming address by our Charitable Foundation President, Ill. Bro. Richard E. Jones, 33°. Ill. Bro. Cave, 33°, followed with a presentation on his plans and priorities for the coming year which will include a complete revision of the existing Learning Centre Handbook, enabling and supporting the recently adopted virtual tutoring option, and supporting and monitoring the recruitment, retention, training and development of our tutors and staff.

Each of the Learning Centres then had the opportunity to introduce

themselves to the other conference participants. It was interesting to learn of the many ways we have learned to deliver similar services to our communities and the children in need of our support. Numerous best practices were observed and noted for further discussion.

The remainder of the weekend was devoted to identifying what we need to do to continually improve, grow and develop to provide the best possible service to children across Canada with dyslexia and then develop action plans to make it happen.

That evening we had the pleasure of attending a dinner hosted by the Charitable Foundation after which we were able to enjoy a sneak preview of the new video currently in production featuring the Charitable Foundation and its programs, particularly our Research Grants and the Scottish Rite Learning Centres. We then heard from Ill. Bro. David A. Bennett, 33°, our Sovereign Grand Commander, who made a very impassioned speech about his

personal experiences as they related to the value of the services our Learning Centres provide.

At the conclusion of the Conference there was agreement on the need to:

- Work together and to seek consistency among the Learning Centres.
- Have the tools and technology (including websites) that are easy to use and easy to implement.
- Develop and share tools and technology and to ensure they are secure and appropriately managed.
- Ensure that we have effective data security and backup, especially cybersecurity for our client and financial information.

There was also a commitment to establish and participate in the work of four Committees focused on:

- Information Technology/WEB presence and Technology,
- National Branding and National Fund Raising,
- Compensation and Centre Director Evaluation Committee, and
- Training and Development (for Tutors and Senior Mentors)

The Learning Centre Board Chairs, and Centre Directors also committed to hold regular meetings to improve information sharing and increase cross-Canada engagement and consistency.

In summary, it was a wonderful weekend and a great opportunity for the broader Learning Centre Community to meet and ensure that we are doing the best job we can to assist children with dyslexia across Canada. ▲

Supporting Community Through Charity Provincial Deputy Award Presentation

Ill. Bro. Rene Carlson, 33°
Grand Secretary/Registrar,
Valley of North Bay

Ill. Bro. Jacques C. Lacourse, 33°
Grand Treasurer, Valley of North Bay

On behalf of the Valley of North Bay, Ill. Bro. Raymond Meadows, 33°, and Ill. Bro. Jake Lacourse, 33°, proudly presented a cheque for \$500 to The Program Providing Adults with Developmental Disabilities Lifelong Experience (PADDLE) in North Bay, Ontario. This donation represents half of the annual Provincial Deputy Award from the Scottish Rite Charitable Foundation.

The PADDLE Program, known for its inclusive and empowering approach to adult learning and life skills development, was selected for its dedication to enriching lives through education, social engagement, and community integration. The funds will help support ongoing programming and resources for participants.

The other half of this year's Provincial Deputy Award for North Bay was

Ill. Bro. Raymond Meadows, 33°, presenting the Provincial Deputy Award cheque to members of The PADDLE Program in North Bay, on behalf of the Valley of North Bay and the Scottish Rite Charitable Foundation

presented to the Women's Own Resource Centre in South River, Ontario. This organization provides vital support services to women in rural communities, including employment assistance, personal development workshops, and crisis support.

These contributions reflect the Scottish Rite Charitable Foundation's enduring commitment to charitable outreach and community betterment

across Canada. By recognizing and supporting grassroots organizations, the Foundation continues to uphold the values of compassion, service, and fraternity.

“The Provincial Deputy Award is a meaningful way for us to give back to the communities we serve and to honour the work of organisations that uplift others,” said Ill. Bro. Meadows, 33°. ▲

Valley of Edmonton - Provincial Deputy Award Supports Camp He Ho Ha

Ill. Bro. Mustafa Aral, 32°
Junior Grand Warden,
Edmonton Lodge of Perfection

On October 3, 2025, the Ancient and Accepted Scottish Rite, Valley of Edmonton, presented a \$1,000 donation to Camp Health, Hope & Happiness (Camp He Ho Ha) at the Al Shamal Shrine Centre.

The cheque, provided through the Provincial Deputy Award program of the Scottish Rite Charitable Foundation of Canada, is intended to support the camp's inspiring mission of providing inclusive recreational programs for individuals of all ages and abilities.

Members of the Valley of Edmonton making the presentation of the Provincial Deputy Award Cheque to Jason Chartrand, Director of Operations, representing Camp He Ho Ha

Jason Chartrand, Director of Operations, attended the meeting to accept the donation and expressed heartfelt appreciation for the Valley of Edmonton's continued support of Camp He Ho Ha's life changing work which helps sustain the camp's vital programming for persons with disabilities across Alberta. ▲

Central Valley, Alberta – Provincial Deputy Award Ponoka Youth Centre, Ponoka Alberta

Ill. Bro. Gary Hiebert, 32°
Past TPGM, Central Valley
Lodge of Perfection

On behalf of the Deputy of Alberta, Ill. Bro. Allan Long, 33°, the Central Valley of Alberta, was pleased to present the Provincial Deputy Award for \$1,000 to the Ponoka Youth Centre in Ponoka, Alberta.

Executive Director of the Youth Centre, Beth Reitz, greatly appreciated the donation, and said the funds will go toward purchasing supplies, furniture, toys, and food for the children. Ms. Reitz said that every child who attends the youth centre is fed during the day.

Ill. Bro. Hal Bowen, 33°, Ponoka Youth Centre children;
Ill. Bro. Gary Hiebert, 32°, Past TPGM

This past year, the Youth Centre saw 25,000 visits, both Kindergarten to Grade six students and high school teens. The Youth Centre is housed in a former elementary school, still owned and operated by Wolf Creek Public

School Division which covers the building expenses for the Youth Centre. Twelve staff members develop and deliver programming for the Ponoka Youth Centre on behalf of the children and community. This is a noteworthy endeavor to assist children to be successful, and develop good citizenship.

It was our pleasure to make the donation on behalf of the Scottish Rite Charitable Foundation. ▲

Valley of St. John's, Newfoundland Provincial Deputy Award

Ill. Bro. Robert Woodworth, 32°
Grand Secretary/Registrar,
Valley of St. John's

On October 8, 2025, this year's Provincial Deputy's Award for the Valley of St. John's was presented to the Alzheimer's Society.

At the presentation, representing the Alzheimer's Society were Mr. Adil Khan and Ms. Olivia Marshall, representing the Valley of St. John's were Ill. Bro. Owen Devereaux, 33°, Deputy for Nova Scotia, Prince Edward Island and Newfoundland and Labrador and Ill. Bro. Robert Woodworth, 32°, Grand Secretary-Registrar, Valley of St. John's.

Ill. Bro. Robert Woodworth, 32°, Mr. Khan, Ms. Marshall, and Ill. Bro. Owen Devereaux, 33°

These contributions reflect the Scottish Rite Charitable Foundation's enduring commitment to charitable outreach and community betterment across Canada.

By recognizing and supporting grassroots organizations, the Foundation continues to uphold the values of compassion, service, and fraternity. ▲

Scottish Rite Valley of Thunder Bay deepens support for the NOSM University with two Student Awards

Ill. Bro. Terry Oja, 32°
Public Relations, Valley of Thunder Bay

Northern Ontario School of Medicine (NOSM) University is built on a model of distributed, rural, and remote medical education — with “the walls of NOSM University” extending to the very boundaries of Northern Ontario.

This unique approach allows students to gain clinical experience in a wide variety of settings, including remote First Nations communities, small rural hospitals, and community practices, as well as at the main campuses in Thunder Bay and Sudbury.

NOSM University's undergraduate medical education (UME) students come from Northern, rural, and remote communities across Canada,

with a primary recruitment focus on Northern Ontario. Medical education is costly, and students typically rely on a combination of bank loans or lines of credit, OSAP or other provincial aid, sponsorships,

personal savings, and bursaries, scholarships, and awards. With tuition at approximately \$25,000 per year for the four-year program—plus living expenses—the financial challenges can be significant.

Ill. Bro. Jamie Tocker, 32° (T.P.G.M), Ill. Bro. Bill Davis, 33° Active Member of Supreme Council, Cherie Kok (Director of Advancement NOSM University), Ill. Bro. Claudio Pousa,, 32° (M.W.S), Ill. Bro. Bill Deadman, 33°, (C in C), and Ill. Bro. Terry Oja, 32° (Public Relations) present cheques to NOSM University for \$1,000 from the Provincial Deputy's Award and \$4,000 from the Valley of Thunder Bay

Since 2006, the Scottish Rite Valley of Thunder Bay has been a steadfast supporter of NOSM University. From the earliest days of the school, they have contributed annually to a bursary established to help ease the financial burden faced by learners. Over nearly two decades, their generosity has grown to more than \$25,000—an incredible investment in the future of health care in Northern Ontario. This bursary has supported many students throughout the years, helping them pursue their dream of becoming physicians in the North.

In celebration of NOSM University's 20th anniversary, the Scottish Rite Valley of Thunder Bay once again chose to go above and beyond—donating \$1,000 from the Provincial Deputy's Award, and making additional gift of \$4,000 from the Valley of Thunder Bay to the Truth Award during the University's September campaign. The NOSM University Truth Award is a bursary specifically supporting Indigenous medical students, easing financial

stress so they can focus on studies and serve Northern communities, recognizing their commitment to advancing Indigenous health and aligning with reconciliation efforts, often funded through community campaigns around National Day for Truth and Reconciliation. This continued commitment speaks volumes about their belief in NOSM University's mission and their dedication to advancing truth, reconciliation, and equitable access to medical education.

“We are deeply grateful for enduring partnerships like this—relationships that have been with us from the beginning and continue to shape the future of health care in the North,” says Cherie Kok, Director of Advancement.

The Scottish Rite Valley of Thunder Bay exemplifies the belief that “small degrees of change over time” lead to lasting impact. They understand that the seeds of generosity, when nurtured, grow into strong and enduring trees that support generations to come. ▲

Regalia Presentation to V.W. Bro. John A.H. Scott

Ill. Bro. Steven E. Warren, 33°
Active Member, Valley of Hamilton

Ill. Bro. Thomas A. Wills, 33°
Lieutenant Grand Commander

On September 16th at the meeting of Flamborough Lodge No. 357, Ill. Bro. Johnston "John" A.H. Scott, 33°, was invested with his Grand Lodge Regalia as Grand Junior Deacon of the Grand Lodge of Canada in the Province of Ontario.

The Sovereign Grand Commander of the Scottish Rite and the Grand First Principal of the York Rite each recommend a brother for Grand Lodge recognition. This year, Ill. Bro. David A. Bennett, 33°, nominated John for his exemplary service.

Since joining Murton Lodge of Perfection in 1987, John has diligently served the Scottish Rite in various roles, consistently working behind the scenes without seeking attention or reward. At the Scottish

Rite Cathedral in Hamilton, he led the Sound Committee, upgraded the Cathedral's sound system, contributed to several degrees, and helped organize the annual Breakfast with Santa.

John received the 33rd degree in 2006 and has chaired sound operations at Annual Sessions across Canada for twenty years, handling new venues

and teams with ease. His positive attitude and diplomatic style of communication are highly valued.

The Sovereign Grand Commander appreciates John's commitment, and his recognition by the Grand Master, honours his outstanding contribution to the Scottish Rite of Freemasonry in Canada.

Thank you, John, for your dedication. ■

R.W. Bro. Steven Warren, John's wife Jen, V.W. Bro. John Scott, R.W. Bro. Tom. Wills

Honouring Tradition and Brotherhood The 117th Reunion of the British Columbia Consistory

Ill. Bro. Hani Nino, 32^o Commander-in-Chief, BC Consistory

In Scottish Rite Masonry, the word Reunion holds a profound meaning. It represents far more than an annual gathering; it is a time of renewal, reflection, and reaffirmation of the vows that bind us as Brothers. A Reunion connects past, present, and future generations, uniting men who share a devotion to learning, fraternity, and moral growth. It is both a celebration of our shared heritage and a moment to recommit ourselves to the timeless values that define the Rite.

Each year, our Reunion stands as one of the most meaningful and anticipated events within the Scottish Rite calendar; a time when Brethren gather to renew their bonds, deepen their understanding, and celebrate the enduring spirit of Freemasonry. The 117th Reunion of the British Columbia Consistory, held over October 17th and 18th, 2025 at the Vancouver Masonic Centre, was a beautiful reflection of that spirit in action, rich in fellowship, learning, and heartfelt tradition.

A defining feature of our Reunion is the annual dedication to a Brother who has greatly served our Consistory. This custom is far more than a gesture of appreciation; it is a deeply rooted acknowledgment of the values that sustain our Rite: service, humility, and perseverance. Each dedication reminds us that our fraternity thrives because of those who quietly and faithfully devote themselves to its progress.

This year, we honored Ill. Bro. Aidan C. Gordon, 33^o, whose Masonic journey exemplifies these principles. His steady leadership, unwavering commitment to the ideals of the Scottish Rite, and lifelong support for his Brethren illustrate what it means to live the

Attendees at the Reunion Banquet

teachings of our organization. Yet, as we honored Ill. Bro. Gordon, we also recognize the countless other Brethren who have walked similar paths of quiet dedication, each contributing to the strength and continuity of our Consistory.

What made our Reunion more meaningful was the participation of our ladies at the banquet. Their presence added warmth, joy, and unity to the occasion, reminding us that the spirit of our Rite extends beyond the tiled door. Together, we shared excellent food, hearty laughter, and meaningful conversations, celebrating both tradition and togetherness. It was a gathering not just of Masons, but of families bound by shared values and mutual respect.

The British Columbia Consistory Reunion reaffirmed a simple but powerful truth: our Rite endures because it continues to grow through fellowship and example. For our new Sublime Princes, this event marked the beginning of the next chapter in their Masonic journey. For long-standing members, it offered a chance to reconnect, reflect, and renew their purpose.

Such a remarkable weekend could not have been possible without the dedication of those working tirelessly behind the scenes, our officers, degree teams, and volunteers, whose preparation and passion brought every aspect of the Reunion to life. Nor can we forget the steadfast guidance and encouragement of our Deputy, Ill. Bro. John L. (Jack) Barr, 33^o, whose leadership continues to inspire us all.

As I looked around the banquet hall on Saturday night, faces smiling, conversations rich with camaraderie, and the gentle hum of fraternity filling the air, I was reminded that every Reunion is more than just a gathering. It is a renewal of our collective commitment to one another and to the ideals we hold dear.

May we continue to celebrate the achievements of those who have gone before us, while nurturing the next generation of Brethren who will carry the light of our Rite forward.

The 117th Reunion was one of reflection, gratitude, and unity, a beautiful testament to the very heart of Scottish Rite Masonry. ■

The Valley of Kamloops Kamloops Resource Centre

III. Bro. James H. Fulton, 33° Director of Library Services

The Kamloops Masonic Centre, in the City of Kamloops, British Columbia, opened on May 10, 1975, and has an impressive meeting room, a banquet room equipped with a commercial kitchen, Library, museum and administrative office of the Kamloops Masonic Temple Association (KMTA) and an attached

are filled with pictures of past masters and grand past masters.

The Resource Centre is particularly proud of the library, the museum, and the ceiling display. The library room and museum display are lined with glass cabinets highlighting historical artifacts and memorabilia.

A generous donation from the

estate of Bro. Tom Laurie, provided the Masonic Resource Centre with sufficient funds to build a beautiful Library for the benefit of the Brethren. Many of the books have been donated or purchased and except for rare books, the Brethren are able to sign them out for their use. The Temple Association also provides audio/video equipment, and a board room and study work stations with WiFi.

The Library and Board Room are open to all Brethren for small meetings, workshops, book club meetings or study groups. The banquet room also hosts a very successful weekly open discussion coffee group. ■

14-floor residential apartment. The KMTA is the governing body of the lodge building and the adjoining Acacia Tower apartment building. The Lodge facility houses two Craft lodges, Royal Arch and Scottish Rite Bodies.

On entering the lodge room, the first thing you will see is that it is adorned with incredible woodwork and a stunning celestial map on the ceiling, depicting the night sky over Kamloops in May, 1975. Each star is a separate light set into the ceiling and the lights make the ceiling come alive. The lodge and banquet Room walls
